Microsoft Teams

Sign in

In Windows, click **Start**  > **Microsoft Teams**.

On Mac, go to the **Applications** folder and click **Microsoft Teams**.

On mobile, tap the **Teams** icon. Then sign in with your Office 365 username and password. (If you're using Teams free, sign in with that username and password.)

Start a conversation

With the whole team... Click **Teams** , pick a team and channel, write your message, and click **Send** .

With a person or group... Click **New chat** , type the name of the person or group in the **To** field, write your message, and click **Send** .

Pick a team and channel

A *team* is a collection of people, conversations, files, and tools—all in one place. A *channel* is a discussion in a team, dedicated to a department, project, or topic. Click **Teams**  and select a team. Pick a channel to explore the **Conversations**, **Files**, and other tabs.

Start a meeting

Click **Meet now**  under the area where you type a message to start a meeting in a channel. (If you click **Reply**, then **Meet now** , the meeting is based on that conversation.) Enter a name for the meeting, then start inviting people.

Microsoft Teams

Make video and audio calls

Click **Video call**  or **Audio call**  to call someone from a chat. To dial a number, click **Calls**  on the left and enter a phone number. View your call history and voicemail in the same area.

Reply to a conversation

Channel conversations are organized by date and then threaded. Find the thread you want to reply to, then click **Reply**. Add your thoughts and click **Send** .

@mention someone

To get someone's attention, type @, then their name (or pick them from the list that appears). Type **@team** to message everyone in a team or **@channel** to notify everyone who favorited that channel.

Add an emoji, meme, or GIF

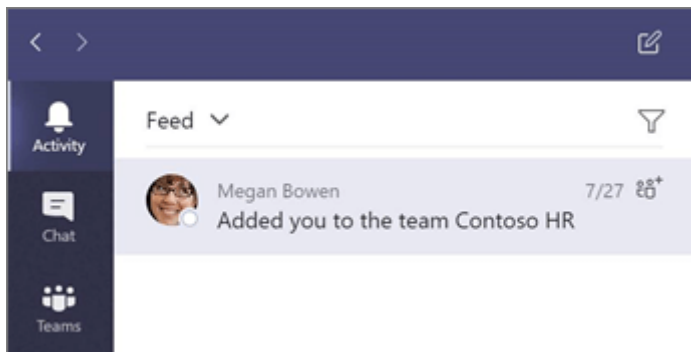

Click **Sticker**  under the box where you type your message, then pick a meme or sticker from one of the categories. There are also buttons for adding an emoji or GIF.

Microsoft Teams

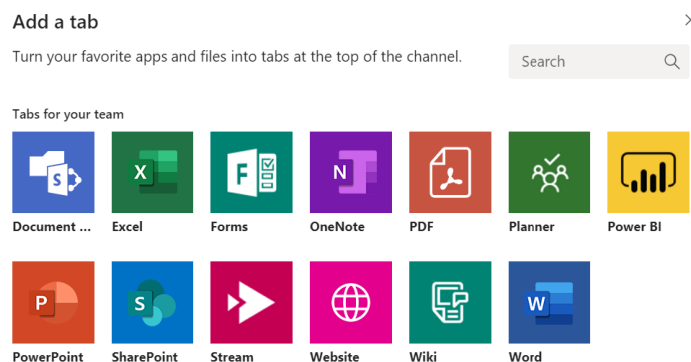

Stay on top of things

Click **Activity**  on the left. The **Feed** shows you all your notifications and everything that's happened lately in the channels you follow.

Add a tab in a channel

Click **+** by the tabs at the top of the channel, click the app you want, and then follow the prompts. Use **Search** if you don't see the app you want.

Share a file

Click **Attach**  under the box where you type messages, select the file location and then the file you want. Depending on the location of the file, you'll get options for uploading a copy, sharing a link, or other ways to share.

Work with files

Click **Files**  on the left to see all files shared across all of your *teams*. Click **Files** at the top of a channel to see all files shared in that *channel*. Click **More options ...** next to a file to see what you can do with it. In a channel, you can instantly turn a file into a tab at the top!

Microsoft Teams

Search for stuff

Type a phrase in the command box at the top of the app and press Enter. Then select the **Messages**, **People**, or **Files** tab. Select an item or click **Filter**  to refine your search results.

Find your personal apps

Click **More added apps**  to see your personal apps. You can open or uninstall them here. Add more apps under **Apps** .

Add apps

Click **Apps**  on the left. Here, you can select apps you want to use in Teams, choose the appropriate settings, and **Add**.
